**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a consumer who supports broadband competition. I live in San Francisco where the only two true broadband providers are Sonic and Comcast. Comcast is, objectively, garbage. Their prices are absurd and the service is not optimal. Comcast doesn't allow me to NOT get internet service even if I only want their latest cable TV technology.

I oppose price hikes that would increase the cost of my internet as well. Competition is good.

Cheers
